We at **Dublin Photography School** want to help you push the bounds of your **Digital SLR** and become more creative with your photography. With **DPS**, you can develop your photography skills with tutors who have a hands-on approach in small classes that have a fun and friendly atmosphere. You can choose from any of our regular Dublin based evening courses and weekend workshops.

Evening Courses:

- Digital SLR Photography and an introduction to Photoshop (7 classes)
- Improvers/Creative Photography & advanced Photoshop (8 classes)
- Photoshop for digital photographers

Weekend Workshops:

- 1 day SLR Photography workshop
- Photoshop for digital photographers
- 1 day studio Photography workshops
- Creative Landscape workshops
- Night Photography workshops

Other great reasons to get on board with us:

- **FREE** monthly shoots
- Regular photo competitions
- **15%** discount on follow on courses
- Recommend us to a friend and receive a **€25 DPS voucher**
- **10%** off all courses and workshops to college students (ID required)
- Gift Vouchers available
